PURPOSE

Los Angeles County - Department of Mental Health (LAC-DMH) is committed to providing a work environment that is free of harassment, discrimination, and inappropriate conduct towards others. LAC-DMH maintains a strict policy prohibiting harassment, discrimination, inappropriate conduct towards others, which applies to all DMH employees, including supervisors and managers, as well as vendors, customers, independent contractors, interns, and volunteers.

To ensure the work environment is free of harassment, discrimination, and inappropriate conduct towards others, the DMH has committed itself to doing the following:

- 1.1 Dissuade such unlawful practices through communication, training and other appropriate methods designed to train all employees and other persons involved with the LAC-DMH workforce regarding harassment, discrimination, and inappropriate conduct towards others.
- 1.2 Provide a means for LAC-DMH workforce members to notify their supervisors and/or managers of a harassment, discrimination, and/or inappropriate conduct situation to enable the supervisor and/or managers to take the necessary corrective actions, including removing the employee from that immediate environment.
- 1.3 Provide an internal complaint process for employees who experience or witness unlawful conduct that protects employees' confidentiality to the extent legally permissible, shields the individual from retaliation, and allows for appropriate corrective action.
- 1.4 Investigate all observed or reported instances of violations of this policy and take appropriate corrective action, including disciplinary action, when warranted.
- 1.5 Communicate to the complaining party, and to the alleged offender, the disposition of the complaint.
